Type of Physical Arrangement, Assistant Requested or Special Dietary Request:

Simon Kenton Council Food Service can make accommodations for many Special Dietary needs (i.e. Vegetarian, Kosher, etc.), but it is much easier to do this with advance notice. There are certain dietary requirements that are difficult to accommodate at camp. Please provide us with the most accurate information on each dietary request and contact information. If we will have difficulty accommodating your request, someone will be in contact with you before your trip to camp. We will use reasonable efforts to accommodate any special diet, but make no warranty that we will be able to fulfill the exact requirements.
