

How to Report JTE Service Hours

Go to the Service Hours web site: <http://servicehours.scouting.org>

First-time users must click on the “New Users” link to register, then agree to the Confidentiality Statement

A service project is a special Good Turn that puts Scout spirit into action. Some Good Turns are big—saving a life, helping out after floods or other disasters, recycling community trash, working on conservation projects. But Good Turns are often small, thoughtful acts—helping a child cross a busy street, going to the store for an elderly neighbor, cutting back brush that is blocking a sign, doing something special for a brother or sister, or welcoming a new student to your school. Anyone can get involved in a Good Turn. If you would like to participate in a service project to benefit your community, contact your local Scouting office.

Search Institute®, headquartered in Minneapolis, MN, is an independent, nonprofit, nonsectarian organization committed to helping create healthy communities for every young person. Their research has identified 40 Developmental Assets that are powerful influencers on adolescent behavior—both protecting young people from many different problem behaviors and promoting positive attitudes and behaviors. Studies of more than 2.2 million young people in the United States consistently show that the more assets young people have, the less likely they are to engage in a wide range of high-risk behaviors and the more likely they are to thrive. This power is evident across all cultural and socioeconomic groups of youth.

One of those 40 developmental assets is **Service to Others** where the child has opportunities to help others in the community. Today, youth and volunteers are looking for ways to serve their communities, and at the same time, service organizations need dedicated volunteer help. By working together, we can positively benefit in the development of young people, our communities, and the nation.
