

Commissioners Corner

Welcome to the Commissioners Corner. This is my second article or blog about commissioners and remember “Commissioners are friends not food”. I need to find a picture to fit that.

I attended the District Roundtable tonight in Portsmouth, OH. I saw some of my old friends and some new friends. Becky Lewis – the Boy Scout Commissioner and Bob Schultz is the Cub Scout Commissioner. They give lots of information and lots of activities that you can take back to your Troop or Pack to help. We would love to see all the new leaders there, the first Thursday of the month, 7:00 p.m. at 610 4th Street Portsmouth, OH. Bravo Zulu to these two wonderful Scouters that love scouting.

I am trying to get around to every Troop and Pack meeting. Please contact me and let me know when I can come and just visit and meet the leaders and the families. This district serves over 900 youth members in 4 counties: Lawrence County, OHIO; Scioto County, OHIO; Adams County, OHIO; and Greenup County, KY. We are a very large and spread out district.

I hope a lot of the Packs attended Scary Camp this weekend, I remember attending it when my boys were in Pack 97. We always had such a great time and the kids loved it. It was one of our first times to Camp OYO.

Well, I will close for now. I do have a couple more “Bravo Zulu’s” thought, one to Jackie Jordan of Pack 97 and letting me come visit your parent meeting and the other Bravo Zulu to those new parents of the pack that were signing up. You will never regret spending time with your boys, time goes too fast and then you wake up and they are in college or serving in the military. It just happens too fast. Have a great week and remember: “Commissioners are friends not food.....”
